TEDxMcAllen Volunteer Application 2024

TEDxMcAllen presents: UNBOUND!

This year's event promises to deliver an unforgettable experience, featuring a diverse lineup of speakers who will share innovative ideas, powerful stories, and thought-provoking insights. Its highly anticipated speaker series is set to take place on **October 29, 2024**, at South Texas College Student Union.

TEDxMcAllen has established itself as a premier platform for the exchange of ideas within the community. Building on the success of the previous editions, this year's theme, "Unbound" aims to inspire participants to think differently, challenge the status quo, and drive positive change. Volunteers can look forward to a day filled with engaging talks, interactive sessions, and networking opportunities that foster creativity and collaboration.

Because this is an exclusive event, only **10 High School Students** will be selected to volunteer for TEDxMcAllen, and notifications will go out via email in mid-September.

This application is open to all high school students in grades 9 through 12. Students

must be residents of McAllen to apply or attend a school in McAllen, Tx. Selected participants will be notified, and we will coordinate with their school administration to arrange an excused absence for October 29, 2024. Applicants whose school cannot accommodate this request will unfortunately be unable to attend and their application will be withdrawn to offer the opportunity to another student. This program provides a unique chance to gain behind-the-scenes experience at a TEDx conference and learn from this year's distinguished speakers
